*AB OBICE SAEVIOR - Stronger When Opposed*

On reviewing this website usage recently, it appears that about 30% of our active members have NEVER logged on to gain access to the material available only to members. As a member of the Clan Galbraith Society you have access to the Clan Library, Members' Pedigrees, and current and past Red Tower Journal issues.

The Clan Library contains articles collected over the past 40-some years to help you with your family history research. They are listed in categories broken down by country, territory, state, Irish county, general area, etc. You will also find links to military records, wills, deeds, and more. There's even a search engine available to search for info site-wide. And we're constantly adding material.

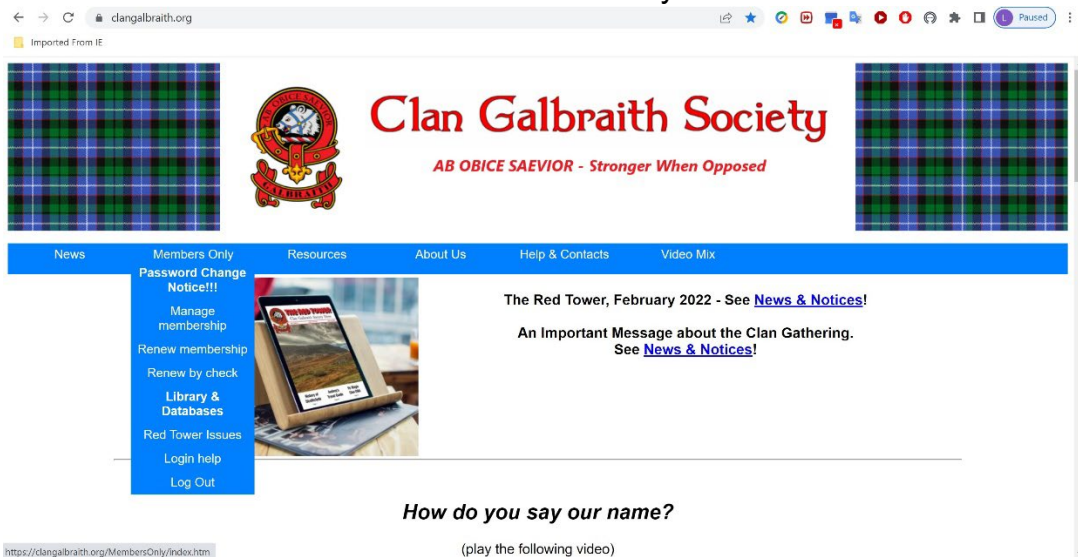

Members' Pedigrees include the family history shared by each member upon joining Clan Galbraith Society, and additional family material added and shared by them and our Clan genealogists. Information is organized by DNA Group as well as numerically by Member Numbers.

The Red Tower is our outstanding publication issued quarterly since 1980. They comprise a historical record of this organization and each new issue presents the latest Galbraith genealogical findings, stories, and Galbraith-related history. Every issue is available to you and our President makes a point of notifying each member upon publication of each new issue. Because of the size of the publication our email system does not allow us to mass email issues to the membership. You will have to login, find the issue that you want, download it to your computer or device, then read and enjoy!

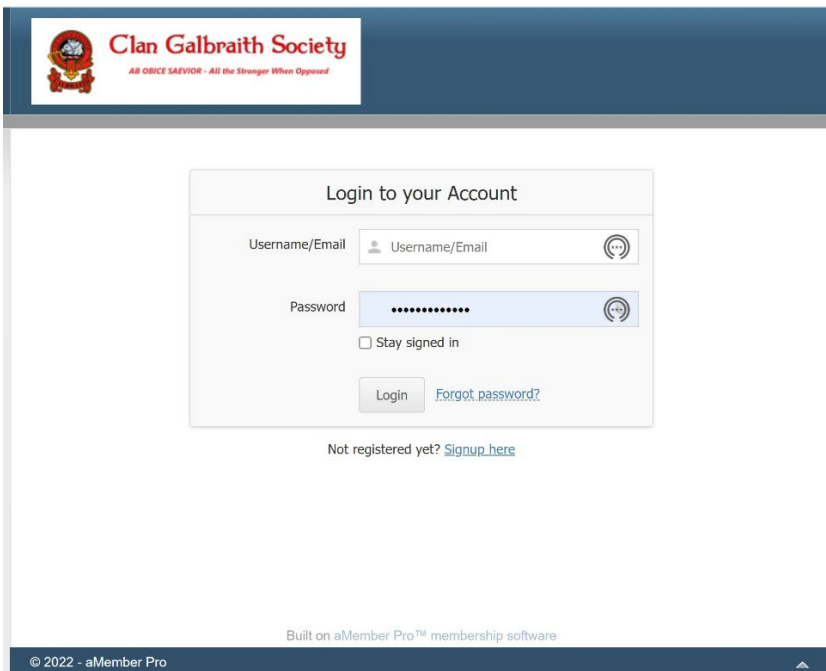

To access these member resources you're going to have to log into the Clan Galbraith website and this is how you do it:

1. In your internet browser go to <https://www.clangalbraith.org/>

2. On the blue ribbon menu select "Members Only"

3. Select "Library & Databases", or "Red Tower Issues" if you want to access the Red Tower Journals page directly
4. First, the Login screen will automatically appear. Enter the Username that you created upon joining the organization, or the email address that you registered with, in the box labeled "Username/Email". Enter the password that you created in the "Password" box. Lastly, click the "Login" box. If you did this correctly you will next get either the Clan Library or Red Tower Journals page. Just click on the links to begin your searches or select files for viewing and/or downloading.

5. If you can't remember your password, click the "Forgot password?" link on the login page. You'll get a page requesting you to enter the email address associated with your member account. You will then receive an email with a link and instructions to reset your password. If you do not see this email after clicking the link, please check your spam folder. After creating a new password you will find yourself at the Member Dashboard where you can select "Databases" from the top menu to get to the Clan Library, or you can select the "Red Tower" link to get to the Red Tower Journals page.

The screenshot displays the Member Dashboard for the Clan Galbraith Society. At the top, there is a header with the society's logo and name, along with the motto "AB OBICE SAEVIOR - All the Stronger When Opposed". Below the header, a navigation bar includes links for "Renew membership", "Databases", "Clan Galbraith website", and "Change profile / password". The main content area is titled "Your Membership Information" and is divided into two columns. The left column contains "Active Subscriptions" (showing an "E-RT" membership expiring on 1 Jul 2024) and "Active Resources" (with a search filter and a list of helpful links). The right column contains "Useful Links" with links for "Logout", "Change Password/Edit Profile", and "Payments History".
